Gary V Merriman Jr.

Software Developer
Texas City, Texas | (404) 859-5245

Email | Github | Linkedin | Portfolio

Adaptable software developer capable of quickly mastering, learning and applying new platforms and frameworks. I am applying for careers in software development. Prior to web development, I managed our family fly fishing business in Atlanta called The Fish Hawk. I personally constructed our first website including an online store. I am an accomplished fly fisherman and guide with international travel including Croatia, Slovenia, Germany, France, Ireland, Netherlands, Nicaragua as well as Mexico.

Software Development Skills

- JavaScript, React, Node.js, Express, RESTful API, PostgreSQL, Bootstrap, Sequelize, AWS, CSS Flexbox, HTML5, CSS3, Git, Github, Python, Redux
